New Model ~ DM-4420N

Cubelet Countertop Ice & Water Dispenser

- The DM-4420N is 22" wide and can hold up to 200 lbs of cubelet, nugget-style ice.

- Operators have the option of adding an icemaker on top of the 40" tall dispenser, or manually filling it.
- The unique hex-drive ice agitation and dispense drive system works seamlessly to deliver popular chewable ice cup after cup.
- A 15 watt fluorescent bulb illuminates the interchangeable front graphic.

Lead time 2-3 weeks after receiving the order.
